

Dear Parent,

What a great joy it is to have your child in our Student Ministry at First Baptist Dawsonville. The Lord is blessing this ministry in wonderful ways and we are so proud of the excellent leadership of our volunteers and professional staff. It is my prayer that your child is not only discovering more about the Bible and Jesus, but is being taught a high moral standard that will enhance their success in later life.

From time to time we use pictures of the children involved in our student and preschool ministry in our promotional pieces. If you would like to opt your children out of these pictures and videos, please print and complete this form and return it to the church office. Never do we publish children's personal information such as names or addresses. **Please note that this form is only for parents who want to exclude their children from pictures posted on our website.** Your child's welfare is our greatest concern and we want you to know that from time to time we do use pictures of children involved in our ministries to let the community know of our excellent children's programs at First Baptist.

In Christ Love,

Dr. Jim Gaines

I **DO NOT** authorize release of any pictures of my child for publication on the church website.
